

## WELCOME BACK TO THE SULTAN HERITAGE HOTEL

**We are now staycation-approved and squeaky SG Clean!**

Every room at The Sultan is cleaned and disinfected according to the standards set by the National Environment Agency (NEA), Ministry of Health (MOH) and World Health Organization (WHO).

Here we would like to share the key highlights of our Guest Safety Programme that has been designed with your health and safety in mind.

Mandatory minimum  
vacancy between  
reservations

Pre-Registration for all  
bookings to expedite and  
digitize check-in

Rooms are disinfected  
at least twice before  
you check-in

Pre-payment or  
contactless payment  
options supported

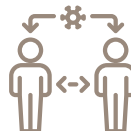

Public area high-touch  
points are disinfected  
>3x a day

TraceTogether usage,  
temperature screening  
and masks are mandatory

Hand sanitizer is freely  
provided in all guest room  
and common areas

1m safe distancing in  
force across property  
between guests and staff

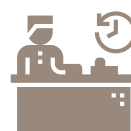

Hotel linens and towels  
are laundered at high  
temperatures > 70 degrees

No unregistered guests or  
visitors will be allowed in  
guest room areas

Our common  
corridors are all  
naturally ventilated

24-hour Front Desk and  
emergency standby  
personnel on site
